Dear Sir:

In response to Office Action dated July 13, 2007 in which the subject application was withdrawn from Appeal by the Examiner, a phone conference was held with Examiner Kalinowski, the Examiner's supervisor. During the phone conference, the applicant noted that the subject application was withdrawn from Appeal by the Examiner without approval from a supervisory patent examiner as required by MPEP § 1207.04. As a result of this phone conference, the applicant was informed by Examiner Kalinowski that the Office Action of July 13, 2007 was to be withdrawn and no further action on the part of the applicant was necessary.

Respectfully Submitted;
